

# TRCS KIDS CAMP 2010!

Check out our Summer Program, “KIDS CAMP 2010” at Three Rivers Child Development Center!

We have 12 weeks to enjoy our fun-filled camps, each different, each offering activities for everyone. Plus, we have VBS, child evangelism, chapel, swim lessons, park outings, library visits, and lots of water play!

## School Age Summer Camp Schedule

### June 14 - 18: Nature Camp

*Our first week of summer vacation is all about playing, planting our garden (behind room 9), and Father's Day gifts. Wednesday, a tour is planned at Greg's Gardens, so we can choose more vegetables to plant.*

### June 21 - 25: Sports Camp

*This is an active week, building on our game skills with a different sport each day. We're lucky to have three great coaches with their tips and tricks close by. Tuesday, the Academy of Kung Fu and the Martial Arts Academy are visiting. Thursday is bowling day!*

### June 28 - July 2: Craft Camp

*Highlights during our craft camp week are two field trips: "Totally Crazyed" ceramic studio on the 29th, and walking to Lowe's for their craft activities on the 30th. All week we'll expand our artistic side with LOTS of crafts — too many to list!*

### Details on the following camps to come:
