****“Soul Therapy”**

Joe Gerick and Jim Bass, instructors (Mondays 6:30pm-8:30pm; \$50.00)

Joe and Jim are teaming up to teach and train you in two well-proven approaches to ministering to the very real needs of the soul. Once we are saved, we are spiritually alive, spiritually whole; but there are many issues that must be addressed in our souls—the place of our mind, emotions, and will.

Theophostic (literally: divine light) Ministry and Deep Healing offer two approaches for helping others get free from issues of the past. The student will gain insight and skills in the ministry of the restoration of the soul. The book Soul Therapy by Dion Robert will be provided free to every student enrolled in the class.

****“Getting a Handle on the Old Testament”**

Mark Schmutz, instructor (Tuesdays 6:30pm-8:30pm; \$50.00)

Mark’s love for the Word of God brings an excitement for the revelation of God through the Old Testament to the table. We will trace the major themes and purposes of the Hebrew Scriptures from Genesis to Malachi.

*****“SEMINAR: Worship—Loving God With All Your Heart”**

Mark Schmutz and friends, instructors
(Saturdays, March 5 & 12, 8:00am-3:00pm; \$50.00)

This two Saturday seminar format provides the student with information and experience of the history, purpose and practices of worship in the corporate and small group setting. Instruction will be provided as well as exposure to a variety of worship leaders and styles in our community in a fun, interactive, participatory format.

DENOTES 2-Year Leadership Track requirement

(*—1st year; **—2nd year)
