

# THREE RIVERS CHRISTIAN SCHOOL

*"Educating for Eternity."*

December 2011

Dear Applicant:

Thank you for your interest in the position of Principal of the Junior/Senior High School for Three Rivers Christian School. Attached you will find information that will start the application process. Please read it over carefully and complete the application and sign the disclosure statement.

In addition, please review the statements of faith for both Three Rivers Christian School and Northlake Baptist Church, our overseeing congregation. We also request that you submit a personal testimony that includes an affirmation of the statements of faith provided. A simple statement at the end of your testimony will be sufficient. A resume is also requested.

Our desire is to have a new Principal in place for the 2012-2013 school year. There is the possibility of some overlap in the transition season, and our current Principal, who is retiring after 12 years of service, can be available during the transition as deemed appropriate.

Three Rivers Christian School is a well-respected, highly regarded ministry that has an impact on our entire region. We thank you for your serious consideration of this position. We will provide our utmost care in the selection process to ensure that both the school and new Principal are provided an environment in which to thrive.

Please submit your resume, completed application, disclosure statement, and personal testimony with affirmation of our statements of faith to:
